## DETAILED ACTION

### *Allowable Subject Matter*

The following is an examiner's statement of reasons for allowance:

**1. Claims 1-7, 9-17 and 20-25 are allowed.**

5       **Claim 1** is limited to an electronic audio system. The outstanding rejection of this claim (Non-Final Rejection at 2, 29 May 2008 (incorporating Final Rejection at 3-4, 28 January 2008)) relies upon the teachings of *Sundqvist* to demonstrate the identification of clock sources using the clock sources' frequency rates as their identifiers. As noted by both the Applicant and Examiner, using frequency rates is equivocal and leads to results  
10       where different clock sources are not identified because they may have the same clock frequency. (Non-Final Rejection at 3, 29 May 2008.)

By the instant amendment, this claim now requires that "each clock source has a different identifier." The purpose of this amendment is to disclaim prior art electronic audio systems, like *Sundqvist*, that identify clock sources using equivocal identifiers that  
15       may fail to differentiate between a first and second clock source. Moreover, Thus, claim 1 is allowable over the cited prior art.

**Claims 17 and 21**, similarly to claim 1, respectively require that "each clock source has a different identifier" and "a different identifier identifies each different clock source." As the rejection of both claims 17 and 21 was premised on the teachings of  
20       *Sundqvist* (Non-Final Rejection at 2, 29 May 2008 (incorporating Final Rejection at 5, 28 January 2008)), these claims are likewise allowable over the cited prior art.

Art Unit: 2614

**Claims 2-7, 9, 20 and 22-25** depend on claims 1, 17 and 21, and are allowable over the cited prior art for at least the same reasons.

**Claims 10-16** are allowable for the reasons of record. (Non-Final Rejection at 3, 29 May 2008.) Note that claims 11-16 were erroneously marked as rejected, but are  
5 allowable by virtue of their dependency from claim 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
